## MADE IN GERMANY

### GENERAL INFORMATION

MAXIA VAN Catalogue, Season 2023

Last updated August 2022

Some of the models featured in the brochure have optional extras or decorations that are not part of the standard scope of delivery. Deviations from the pictured furnishings in terms of structure and colour are excepted provided they relate to the nature of the materials used and are consistent with standard commercial practice. The same applies to technical modifications to the vehicle provided the overall product quality remains the same or is improved and the intended purpose is not impaired.

Not all of the features are available for all models due to the layout design. Details of the equipment package can be found in the current price list. All content is correct at the time of going to press. Design and equipment package subject to change without notice; errors excepted. More images can be found at [www.hobby-caravaning.de/en](http://www.hobby-caravaning.de/en)
