QUALITY MADE IN GERMANY

For Hobby, "Made in Germany" means built to the highest quality standards and with the utmost care at our long-standing home in Fockbek, Schleswig-Holstein.

We employ over 1.200 members of staff at our factory. Over 15.000 vehicles are produced each year at one of the caravan and motorhome industry's largest production sites in Europe.

State-of-the-art machinery and technology guarantee maximum efficiency and the utmost precision. At the same time, numerous details require craftsmanship and finesse, resulting in vehicles that make the perfect travelling companions, wherever you go. Reliable, dependable and timeless.

We're proud of this quality and even offer a 12-year watertightness guarantee for the structural joints of our vehicles.

ONTOUR C

The ONTOUR C is a compact, semi-integrated motorhome. Thanks to its width of 2.23 metres, you'll even be able to negotiate narrow and bendy roads in mountainous regions or busy city centres with ease. The ONTOUR C on a Citroën chassis has a powerful 140 hp engine and is available with an automatic transmission as an option. Equipped with the "HobbyKomplett" ALL-INCLUSIVE package, it's always ready for your next adventure.

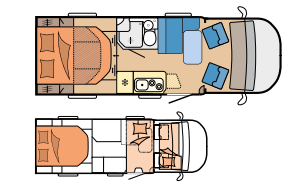

Which would you prefer, an island bed or single beds? The island bed can be accessed from three sides, while the single beds can be transformed into an extra-large sleeping space spanning the entire width of the vehicle, if required. Choose the layout that suits your needs. No matter which one you choose, a wide range of special features is always included, such as the awning, the blackout system in the cab, the alloy rims and the spacious L-shaped seating area.

ONTOUR T

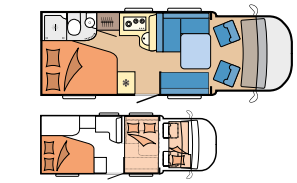

FIAT

The ONTOUR T is a versatile all-rounder on a Fiat chassis with a 140 hp engine. With a width of 2.40 metres, the three layouts feel open and spacious, and can easily accommodate large, cosy L-shaped seating areas as well as the "HobbyKomplett" ALL-INCLUSIVE package.

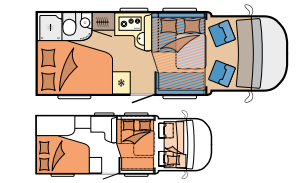

To ensure you get the best night's sleep, there's a large double bed in the rear section of the 700 F and 700 FH. The 700 FH features two extra berths in the drop-down bed above the seating area as standard and boasts a powerful 180 hp engine with automatic transmission. The 710 GE keeps things classic with its compact side kitchen, two single beds and a large garage at the rear.

ROOM FOR EVERYONE

A cosy spot for families and friends. Thanks to the wide variety of living area combinations, anything is possible. Whether there's two or more of you – with large cabinets and storage compartments, there's definitely enough storage space on board. Discover our wide range of storage space solutions on our website.

ONTOUR A/T **FAMILY** FIAT

The family models on a Fiat chassis boast a powerful 140 hp engine, automatic transmission, approval for six people as well as features that have been specially chosen to meet the needs of families. These incredibly spacious motorhomes have plenty of extra room for sleeping, playing and cooking, as well as large storage spaces for everything that young and old campers need on the road.

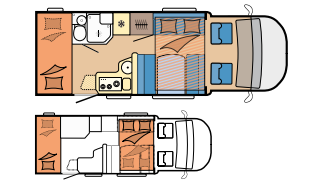

The overcab of the 720 GFM serves as extra storage space during the day. At night, it's transformed into an airy canopy bed. Thanks to the drop-down bed and convertible central seating area, the semi-integrated 700 KMH can comfortably sleep up to six people. Little ones will find their place to sleep in a children's bunk bed in the rear section, which becomes a large garage when driving.

MAXIA T

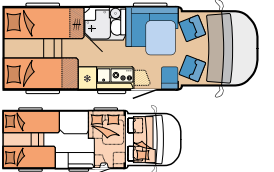

FIAT

The MAXIA T combines Scandinavian design with maximum comfort. Equipped with the ALL-INCLUSIVE package, the interior of this model range is jam-packed with features including atmospheric ambient lighting. The external appearance is rounded off by the Fiat chassis featuring a 180 hp engine, automatic transmission and black chassis cowl. There are three different layout options for you to choose from with up to five berths, a double bed or single beds.

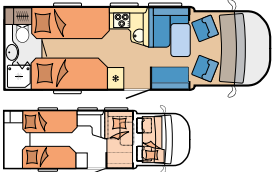

The 710 GE comes with a classic design and L-shaped seating area, compact side kitchen and single beds. If required, you can join the beds together to create an extra-large sleeping space spanning the entire rear section. The 740 WF with double bed and large rear washroom with separate shower cubicle, corner kitchen and cosy seating area has been designed entirely with your comfort in mind. Would you prefer the model with single beds? Then the 740 WE is the perfect choice for you.
